# Michelle Thorne's SPUNKMAIL

Anything to say about our last issue?  
Then this is the place to do it! Come on,  
Michelle's gagging for it!

## Dear Michelle,

I'd never really thought that going out for an innocent game of golf could become at all raunchy, until something happened to me the other week that totally changed my view. Although I've never written (or emailed!) in to a magazine before, this experience was so horny I thought I'd share it with your readers!

I've recently been going to a course local to me, with a few mates, to improve our game. However, we enjoy the social aspect of golf as much as the playing itself and on this particular Friday they'd left me drinking in the clubhouse. By early evening I was a bit worse for wear and was thinking about calling it a night and getting a cab home, when a woman asked if she could sit at my table. She was about 40ish, with long, dark hair tied in a ponytail and dressed in an elegant trouser suit. As she joined me, I got a faint whiff of her scent.

"It's about time this place got some new blood," she smiled and leant towards me so I couldn't fail to notice the cleavage beneath her partially unbuttoned silk blouse. Her tits were large and full, pushed together by a lacy white bra, the top of which was

## Dear Michelle,

Oh, My, God, it was soooo good to see Linsey Dawn Mackenzie back in Men Only, it feels like an eternity since we last saw her in the pages. I've been a huge fan of hers for over twenty years and in my opinion she's like a fine wine, she gets better with age. I've got a huge collection of magazines and newspapers with her photos in, I'd love to meet her and get her to sign a few of them but I guess that's highly unlikely to happen is it? I'd also like to meet up with her and do all sorts of other things, but that's definitely never going to happen because she's probably got herself a fella!

*Michael, Email.*

**Michelle says: Hi Michael, it sounds like you're a bit of a superfan! Unfortunately Linsey does have a fella, but you can use your imagination!**

"She squealed as I thrust as hard as I could into her eager cunt"

think I had shown any signs of my impending hard-on, but I can't have been as subtle with my arousal as I had thought.

"I'm so fucking bored," she whispered and placed her hand directly on my stiffening dick, causing my jaw to drop open, lie I was catching flies. "Fancy a fuck?" Stunned, I meekly followed her as she picked up her drink and wandered casually outside. It was dark by now, but she took my hand and led me across one of the greens to a hut full of maintenance equipment, obviously knowing her way around the place well. Seizing the moment, I put my arms around her waist and began to kiss her passionately on her full, red mouth, my hands instantly

also visible as she thrust her chest forwards in a clear come on. She wasn't someone I'd normally look at twice but the smell of her perfume and those heaving boobs were making my cock stir beneath the table. I didn't

cupping her bum cheeks through her trousers.

"Hold on just a minute," she said pulling away, removing her jacket carefully and spreading a blanket onto the floor. "Now come here." She knelt on the blanket, unzipped my trousers and pulled out my prick. I was still unable to speak, not quite believing my luck and not wanting to break the spell.

"Oh, very nice," she smiled and began to suck on my tool expertly, while unbuttoning her blouse. Almost desperate to see her huge orbs in all their glory, I slipped the bra straps from her shoulders and cupped a wonderfully fat breast in each hand, tweaking the nipples until they were as hard as bullets. I lifted them against my balls and pumped into her mouth while she gripped my arse in order to pull my knob even deeper down her throat. "Right, its time we screwed," she suddenly announced through a mouthful of dick. Unbuttoning her trouser suit, she hung it carefully on a hook and removed her tiny white knickers before lying before me, legs akimbo on the blanket. She may have been getting on a bit but she obviously worked out to keep herself

# BECKY

**P**arry perfect might be a new entry into the Oxford dictionary very soon, as Becky shows us the artful ways in which a slight smile can lead to an abundance of excitement, in young and older men alike, as our youthful blushing photographic assistant found out, and myself for that matter. But less about me and more about Miss Parry who is notable for more than her sexy lingerie, as she poses all our favourite positions for the camera. We just can't get enough!

in shape, and with her long tanned legs and completely waxed pussy, she certainly looked pretty sexy to me. I knelt between her thighs and, bending down, began to lick her fanny lips, tickling her clit with a finger while stroking her tits with my spare hand. I was just getting stuck in, when she pushed my head up with one perfectly manicured hand. "I said shag me!" she commanded and dragged me impatiently on top of her. I wasn't in a position to argue, my face pressed against those massive quivering boobs as she guided my cock into her moist twat, raising her crotch for easier access. "Harder, you fucking wanker! Come on, screw me!"

She squealed as I thrust as hard as I could into her eager cunt, surprised at the language coming from her well-spoken mouth. "Suck my tits! Bang it up me!" I did as I was told and rammed in and out of her as fast as I could, my balls slapping against her arse with each stroke as I buried my face in her heaving bosom, sucking and licking her mounds for all I was worth.

"Yeeesss!" She yelled, and her whole body seemed to tense around my dick as she climaxed, her nails digging into my back as I just took over.

"I want you to come in my mouth!" she panted as her orgasm slowly subsided. I didn't need telling twice and yanked my rock hard prick from her soaking hole and stuffed it between her waiting lips. Her tongue lapped frantically around my shaft as she squeezed my balls and, after only a few thrusts, I sprayed jets of my hot, thick spunk over her face and into her mouth, as she licked and guzzled it down.

She had cleaned up all of the splattered cream from her chin and cheeks and was already half dressed by the time I had recovered enough to open my eyes. She didn't say a word but retied the band around her ponytail, slipped on her jacket and disappeared again into the night. Charming, I thought, but wasn't offended – after all, I'd gotten a great, and completely unexpected, fuck out of it!

I found out later she was the wife of some rich old guy who was a member of the golf club; I wasn't the first bit of rough she'd taken a fancy to and I doubt I'd be the last. I don't mind being one in a long line at all – it sure gave a new meaning to playing a round! Rav, Belfast.

## Dear Michelle,

**Last night I got wanked off in the street right outside my own front door!**

I'd met this girl Becca in a local pub on a few occasions, and each time she'd got more and more flirty with me. She had long ginger hair and amazing green eyes, with a petite figure and sweet little duds.

Anyway, the other night we were getting

along really well, and I was pretty sure that I'd be getting laid that night, so when the time came to leave I wasn't surprised when she readily left with me.

On the way back to my place, she confessed to me that she really liked wanking guys off in strange places because there was something about watching spunk shooting out of a cock and landing somewhere weird that really excited her.

So, when she leaned over me and rubbed her hand against my crotch outside my place I didn't complain! She got me hard very quickly – getting any kind of action outdoors is sexy, let me tell you – before I was even out of my trousers, and then she pulled my cock free of my fly and began to wank me off nice and slow.

She kissed me for a bit and I felt up her tits and rubbed my hand over her crotch and then she started talking. "You have a lovely cock, it feels nice and warm and hard in my hand," she said, rubbing her thumb over my shiny bell end and squeezing my bollocks.

I put my hand inside the waistband of her leggings and my fingers found their way down to her pussy, which was nice and wet.

I was loving the hand job she was giving me, but I wanted more, so I peeled her leggings and panties down her thighs and pulled her towards me. She kept her hand on my cock as she

rubbed my helmet against her wet pussy lips and clit. It felt great and she started moaning and telling me how wet she was and how she wished she could hold my cock in her hands forever. Knowing I wasn't far off, I braced myself for orgasm.

Becca sensed something was about to happen and pointed my cock in the air in front of her. When my spunk flew past her face and landed on a car in the road her face lit up and she slipped a finger inside her pussy lips, wanking herself off at the sight of my jizz splashing all over the street. When she'd finished, she wiped the come from the tip of

my cock, licked it from her fingers, kissed me, put my dick away and told me to call her. I've arranged to meet her on the pier next weekend and promised she can wank me off over the edge! Quite honestly, I don't think either of us can wait!

Colin, Southend.

## Dear Michelle,

I've never been one to have a fetish, especially about feet, but I've never had such a hard cock as I did when I came across Sam Bentley's photos in last month's issue of Men Only! I have lost count of the number of times I've wanked over those pictures of her feet and her hairy snatch in between them! I close my eyes and think that my cock is between her feet wanking me off, rather than my hands. I've got a girlfriend and I'm too scared to ask her to use her feet, but it's driving me crazy!

Clifford, London.

**Michelle says:** Hi Clifford, I feel like a bit of an agony aunt here! Firstly, I'm glad you enjoyed Sam's feet, and secondly you should just be honest with you GF!

Real Life  
Adventures

First off, let me just say that I am not the kind of girl who sleeps with every man she meets. In fact, before this night I'd had three steady boyfriends that I'd gone to bed with along with a few innocence tinged teenage fumbings, and that was it. But having been single for almost a year, and being a mature 27-year-old, I was no longer such a prissy young thing.

My girlfriends had long teased me about my lack of sexual experience – they were all experts at meeting and mating and couldn't understand my more Victorian attitude, but all I could say in my defence was that as how I had been brought up. Then again, there comes a time in everyone's life when the need to rebel becomes too much and in my case rebellion meant forgetting all about those romantic guy meets girl notions and opening myself up to the more animalistic girl fucks guy then never sees him again.

That said, I didn't go out on that Saturday night looking for casual sex. I didn't even go out looking for a man. It was just a normal Saturday night out with the girls – a few drinks, a bit of dance and then home. My friends were out for the regular Saturday night too, which for them meant finding

**“He watched as I slipped a hand inside his pants and took hold of his cock”**

some guy to go home with. But they had long grown used to my primness and didn't try to fix me up with anyone. They were expecting me to leave early, but this night was to be full of surprises.

We usually started in a local bar because it gave us the chance to catch up before hitting the clubs, where the music was always so loud that

any conversation had to be held at full volume. It was here that my night began and ended.

I noticed John as he walked in and stepped up to the bar. He was older than me, somewhere in his late 30s, and well turned out in a smart but casual suit, wine red shirt and no tie. When he smiled his eyes lit up and I was taken with his warm, welcoming face. So much so that I stopped listening to my friends' chat until Emma nudged me back into the loop. To this day I do not know why I did it, but I excused myself from my friends and went straight up to John. I had no idea what I was going to say but my libido took over and propelled me towards him.

Taking a seat on a stool next to him and facing the bar, the first words that came out of my mouth were simple. "I like your suit," I said.

John turned to face me, smiling when his eyes met mine. "Thank you very much, miss..?"

"Allen," I said.

"Miss Allen. Can I buy you a drink?"

Now I wasn't so innocent that I didn't know how loaded a question like that was, and usually when a strange man offers to buy me a drink I turn them down, immediately thinking all this guy wants is to get into my knickers. But this time, though I did think exactly that, I also thought I'd like him to get in there, and I accepted swiftly. I glanced back at my friends as John and I chinked glasses to see them all watching me, their mouths agape. John's friends left us at the bar to find a table and the two of us stood chatting like we

were old friends, laughing and listening to each other intently. He was very charming, asking me questions and encouraging me to do most of the talking. I can't actually remember what we talked about because I spent most of the time in his company there imagining him naked. Let me tell you, that picture in my mind was a real distraction! All the time we were talking it seemed we both knew where it was leading.

"Would you like another drink?" asked John when I had finished my wine. "Or would you prefer to go somewhere a little more... intimate?"

The hand he placed on my knee made it clear exactly what that meant, and you have to understand that under normal circumstances this would have seen me flee, but normal circumstances were not in operation that night.

"Let's go somewhere where we can be alone together," I said, looking up at him through thick mascaraed lashes. We walked back to John's house, which was a few streets away, John with his arm around my waist. As we walked, John's hand slid slowly down my body until it came to rest on my behind, squeezing my buttocks gently.

About halfway there, we stopped and kissed. It started as a gentle coming together of our lips but his touches had turned me on greatly and it ended with John's erection pressing urgently into my waist as my tongue delved inside his mouth. I think if he had tried to, I would

**"My orgasm rocked through me and the words that spilt from my lips were not mine, but my sex crazed alter ego"**

of let him have sex with me right there in the street – a few months without sex can do funny things to you, huh?

Once we reached his home, the bright

lights of the living room made me feel suddenly nervous, and as John handed me a glass of white wine and left the room I began to feel a little unsure of what I was doing there. John returned as I stared out of the window, wondering whether I should just leave now and forget all about it. He came up behind me and wrapped his arms around my waist, kissing and nuzzling my neck. I could feel his hard on, thick against my bum cheeks, and all my nerves left me. I wanted him so much.

He turned me round and took my drink from me, placing it delicately on a shelf. Then he kissed me, his hands pulling me close to him then kneading my buttocks, pulling them open. "Let's go upstairs," he whispered in my ear, and taking me by the hand, he led the way.

In his bedroom we stood and kissed,

John unzipping my dress and sliding the straps from my shoulders. It was one of those tight, figure-hugging affairs and I had no bra on because of it.

In one moment I was naked in front of him but for a pair of red silk panties.

"God, you're beautiful," he said as he shrugged off his jacket and began to unbutton his shirt.

Once he was topless he pulled me to him again and kissed me hard, his hand toying with my breast, rolling my nipple between finger and thumb, causing it to stiffen and jut out dramatically. I could feel my juices oozing from my pussy.

I fumbled for his cock, squeezing it from outside his trousers, then unzipped his fly. Before I could reach inside, John undid the button and allowed them to fall to the floor. He watched as I slipped a hand inside his pants and took hold of his thick length. At that point I wanted him inside me desperately and was ready to take of my knickers, fall back on the bed and have him fuck me crazy.

But John had other ideas.

He turned me round again and kissed my neck, his hands groping my breasts and running down my stomach until the thumbs had hooked inside my panties. He pulled them down my thighs and then eased a hand between my legs, finding my wet vagina and toying with it. He rubbed gently over my clitoris, causing me to gasp and buck against him. "Bend over," his whispered over my shoulder. I did as I was told, putting my hands out on the bed to steady myself as John squatted behind me and took my knickers off completely. I opened my legs willingly as he began to kiss his way up my thighs, his tongue growing ever closer to my moist hole. As much as I was enjoying it, it wasn't all that comfortable and I pitched forward onto the bed, my knees on the edge, my bum up high in the air, legs as wide as I could get them.

John slipped his tongue inside my hole, his lower lip brushing against my clit, and I couldn't stop myself vocalising my pleasure.

Just as soon as it started, it stopped as John stood up and took off the remainder of his clothes. Then I felt the thing I had been craving – John's solid cock probing my pussy. Kneeling behind me, he pushed himself up inside me and began to fuck me nice and slow. I don't think I have ever wanted to cum more than I did at that moment. I wanted him to fuck me harder and harder until I was flooding with juice, but I got the impression from his gentleness that

John was after something a little more romantic.

"Fuck me harder!" I cried, fearing that he was going to go all slushy on me and want to do it in

the normal missionary position.

"Alright," he said, "if that's what you want. But turn over, let me see your face."

He probably thought that I was a nice girl and didn't do that sort of thing, but at that moment in time I was nothing like a nice girl. He pulled out of me, waiting for me to get on the bed proper, but I had other ideas. I stood up and went over

to a low chest of drawers.

Bending over it, holding onto the corner for support, I told John that I wanted him to fuck me hard and fast and forget about any romantic notions. To make sure he got the point, I reached over my shoulder with one hand and fingered myself, holding my pussy open for him.

"Put that fat cock of yours in here," I said.

That was it, there was no more Mr nice guy.

John grabbed me by my hips and began to slam his cock deep inside me. My orgasm rocked through me and the words that spilt from my lips were not mine, but my sex crazed alter ego, long suppressed.

"I'm gonna come!" John yelled, still hammering away at my tight, wet slot.

"Come on me!" I said through panted breath.

I'd never felt sperm on my skin before, believe it or not, and as John's hot seed splashed over my buttocks and up my back, I reached down and fiddled with my clit, bringing a second orgasm to the boil.

The sweat was pouring off my body and the room smelled strongly of sex. I had sperm over my back, buttocks and thighs, but instead of staying and cleaning myself up, I put my clothes back on, kissed the naked man resting on the bed in front of me, cupped his balls for a second, and then said goodbye.

Since then, I haven't had another one nighter, but I know that when I want it, I can get it easily enough...

# INTERVIEW

# ASHLYNN

**So Ashlynn, you're a hugely successful pornstar now with a stack of great movies to your name, but I just read on Wikipedia that you used to run a used car lot...?! Is it just a bit of online japery, or were you really a budding Frank Butcher?**

Frank who? No, it's true. I really did sell cars, and for three years too! It wasn't a very glamorous job, but it paid the bills.

**I bet you were a hit with the guys.**

(Laughing) Yeah, their jaws used to hit the floor when I came out of the showroom. They were probably expecting a middle-aged bloke in a suit. Whenever a guy rolled up on the forecourt I'd button my blouse down a couple of notches and get into flirting mode. I did a heck of a lot of business that way.

**Did you ever shag a bloke to nail the sale?**

Oh no, I never went that far. I'd do all the obvious stuff like bending over the hood to show off my arse, and then when they were behind the wheel I'd lean in to give them a good look my tits. That was usually enough to scramble their brains and stop them asking stuff about service history and rust spots.

**So, in other words, you used to flash the flesh to flog them a banger?**

Well, I had to go with my strengths. I'm not someone who can rattle on about cars for ages.

And anyway, I never ripped anyone off, and we didn't sell wrecks. It was just my way of cutting the chit-chat and speeding the deal up, and I never got any complaints.

**Did you ever try it on with the women?**

Never. I wasn't really in-tune with that side of my sexuality back then. Now I love playing with a girl's breasts and licking pussy, it's one of the best things in the world!

**You must have guys watching your movies now going, "No way dude, I bought my Bulck off that girl, and she flashed me**

**her tittles!"**

(Laughing) I guess so! They might be a bit shocked about the dramatic career change. Or maybe they won't be, I don't know. I used to have blokes telling me all the time that I should be in modelling or something. I figured they were coming out with that crap to get me into bed. American men can be full of baloney.

**You've been known in the past for criticising British blokes for not trying to chat you up. Is there no pleasing you, Ashlynn?**

Hey, don't you make me out to be this moody, contrary pornstar. I'm real easy to get on with,

as you well know after spending most of the day with me. All I ask from a guy is for him to be honest with me, and to speak his mind. You Brits are too nervous and uptight to say anything, and men in the US will come out with all kinds of rubbish. You're like opposites.

**But if a guy is sincere and genuine then he's got a chance?**

Yeah, of course...

**Well could I just say how gorgeous you are and how much I've enjoyed today?**

(Laughing) Right. Good try, but I've got plans tonight, and for the rest of the week!

# BEXIE

Over a can of beer and a packet of pork scratchings, we were joined by Bexie Williams, the leggy model who's been gracing the pages of the Paul Raymond magazines for many a year now, hell, she was cover girl last month. And as per usual Bexie was all fun and giggles as she told us "I can't believe how quickly the last couple of years have flown by and how much has happened. And I never thought my modelling career would have lasted for so long!" It certainly has, now can you please get on with it and take off your clothes!

### DEAR MEN ONLY,

I saw the set of Lacey in Mayfair 47.05 and she was the dead ringer of a girl I once (and only once) knobbed back when I was still in college: Tania.

She had managed to get herself a reputation in the first week of us all moving into the halls of residence by sucking off one particularly loose-lipped bloke on the roof the very day she moved in, and consequently all us lads thought we'd try it on with her whenever the chance arrived. My own opportunity arose quite unexpectedly. One evening, I was hanging out with a couple of girls who

also roomed on my floor when Tania walked in – seemed she was a mate of these two. Anyway, five minutes later, after we'd been introduced, the two girls whose room we were in said they were off out clubbing for the night so me and Tania had two options, go out with them or bugger off. I had no money and was just thinking how unlucky I was that I didn't have the cash to go out and cop off with Tania when she also announced she was skint and perhaps we should relocate to my room instead!

Well, you can see how this turned out, it was probably all of 60 seconds before we were both stark naked and pawing each other's bodies. Tania's reputation was clearly well deserved – she was really filthy, and was soon down on her knees gobbling my cock like her life depended on it! However, before I's got close to coming she had other ideas, and it wasn't long before she was on her hands and knees on my tiny bed, pulling her arse cheeks wide apart and telling me to eat out her arsehole!

Her pussy was soaking wet and her labia

peeled apart, exposing her hole. I knelt behind her and ran my tongue over her cunny, enjoying the taste of her pussy. Then I rubbed her juices up over her ring and watched amazed as her bumhole spasmed at my touch. Eating out her arse was easily the horniest thing I had ever done

to follow). Anyway, once I'd got her nice and relaxed I thought I'd try my luck and pulled my fingers from her slippery holes and positioned my helmet right up against her ring, rubbing my cock up against her with my hand, pointing it down so I could get her cunt juice on its tip and then rubbing it round and round her anus. Eventually, after me teasing her like this for a while, she pushed back against me and my dick eased into her bum. I grabbed hold of her hips as she reached down to frig her clit and we thrashed against each other with abandon until, moments after I had entered her, Tania came, begging me to come right inside her arse.

And so I did, flooding her anus with jizz, my hips jerking frantically for what felt like minutes before I was finally done. Pure heaven! I never screwed her again – and never fucked her pussy at all! – but I had one hell of a good bunk up with Tania, and those pictures of Lacey brought those happy memories flooding back!

Toby, Barking.

*"she pushed back against me and my dick eased into her bum"*

### DEAR MEN ONLY,

I had just split up with my girlfriend, so when my mates asked me if I wanted to go clubbing I was well up for it. Loads of fit birds off their heads and gyrating in skimpy outfits? Get in. Had to be some

in my life at that point (which isn't saying that much, to be honest), I didn't even think girls were into that kind of thing, but by the time I had two fingers up her butt and another two in her gash I had changed my beliefs on what women did and didn't do in the sack – so much for the better! I hoped, but couldn't believe, that I was going to get to fuck her arse (although looking back it seemed pretty obvious that once I had a couple of fingers up there my dick was sure

pulling chances there, I figured.

The night came and went, and although I chatted to a few lovely babes, nothing really clicked, and I found myself heading home alone. I live quite a way out in the leafy suburbs of London, so I knew I was in for a tiresome, long journey when I filed onto the night bus and settled into a seat at the back on the top deck.

The usual drunken night bus suspects were there, smoking illicit fags and talking too loud. A few stops down the line two nice looking girls wandered up the stairs laughing manically. They caught my eye because they were both really cute. They looked like student girls out on the razz.

One was quite slim, her nice firm body encased in a denim skirt and a white cotton top, her highlighted blonde hair flowing down her shoulders. The other girl was dark haired and larger, more full bodied, but not overweight – just a great specimen of a woman, with large boobs and a curvy arse.

To my delight they moved towards where I was sitting and plonked themselves down in the seat in front of me, the blonde throwing me a sly grin as she sat. They immediately began to talk loudly and filthily about their night out.

By the time we had left the city centre and were whizzing through the 'burbs, the passengers had thinned out and upstairs there was only me, the two girls and some guy passed out on the back seat. The girls were comparing the snogs they had

got that night and I was getting the odd glance from each of them by this time – they knew I was listening to every word. The dark haired one started boasting of her snogging techniques and, fortified by the rights excesses, I couldn't help but say, "Go on then, show me how good a kisser you are!" You could see her mate egging her on, and she swapped seats, straddled me and locked lips with me frantically. Her large titties pressed up against my chest as she explored my tonsils. I couldn't help but move my hands round to her lovely arse and run my hands over those sweet, soft

curves.

Instantly she started to get into it, grinding against my cock, which had hardened instantly. Her mate was obviously jealous and wanted to get in on the action too, as she moved close to me and started to run her hands over my chest and over her mate's tits. I followed suit and closed my hands round the dark haired girls large tits,

*"she slides of me, and kneeling in front of my twitching knob, she begs me to come all over her face"*

feeling their weight in my hands and pulling on the hardened nipples. The blonde then took over snogging duties, and I let one hand run up her leg and underneath her skirt. I reached her panties and she felt hot, and upon lifting the fabric I felt the wetness between her lips as she moaned softly at my touch. I felt a hand move over my hard dick and my flies coming down. I looked down to see the other girl unleashing my knob.

She began to slowly stroke it as I frigged her mate, then to my delight, she moved her head down and took my throbbing gristle in her mouth, her soft wet lips caressing my bell-end.

As we drove deeper into suburbia the stops became sparser and the driver sped up, as did the girls head, up and down as she nosed my cock. I still had my fingers knuckle deep up the blonde's cunt, and I moved to her clit, rubbing it as she was grinding herself hard against my hand. The girl sucking my cock was fucking good at it, and I knew I was about to come if I didn't do something about it. As a gent I tried to lift off her head but she was having none of it, and my hips bucked up and down as I spurted my hot come down her hungry throat. We sat there, getting our breath back for a second, in a slightly embarrassed silence. Then the blonde exclaimed, "Shit, this is our stop!"

They scurried down the stairs and off the bus, stopping briefly to blow me kisses, then they were gone, leaving me with a huge grin on my face. And just to top it off, when I finally reached my stop and went downstairs, the bus driver clapped and told me I could ride his bus for free every night if that was the sort of thing I'd be getting up to!

Gary, Edgware.

#### DEAR MEN ONLY,

I just wanted to write in to share my ultimate fantasy with you. In it I'm hospitalized after a bad accident

[Phwoarr! – Ed.] has injured both my arms. As a consequence I have been unable to wank, or even touch my cock, for far too long! Naturally I feel I'm in danger of exploding with sexual frustration, until one morning a lovely

get any better, Chloe stands up, hitches up her nurse's uniform and eases off her white cotton panties, revealing her perfectly smooth and hairless pussy. Then comes another beautiful surprise; climbing onto my bed, she open her thighs and parks her hot,

soaking wet labial flower right over my mouth! I lick and suck away for all I am worth while she moans and grinds her hips down harder onto my eager face. Finally, of course, she eases herself off my face and moves down my body before slowly impaling herself on my throbbing cock. It's divine to feel my meaty tool completely enveloped within her warm, tight pussy, and before long she's riding me like a bucking bronco. Just as I think I can't hold out any more she slides off me and, kneeling in front of my twitching knob, begs me to come all over her face. She looks so sweet and innocent as my cock explodes, showering hot, creamy jizz all over her tongue, mouth and chest. Finally the horny girl wipes it all up with her fingers and greedily feeds it into her wanton mouth before straightening up her uniform. Then, businesslike as before, she cleans me up as well and, remembering her other nursing duties, leaves as if nothing had happened! James, London.

*"I still had my fingers knuckle deep up the blonde's cunt, and I moved to her clit"*

young nurse called Chloe comes into my room to give me a bed bath. Initially she is very nervous as she starts washing me, and is obviously getting anxious as she moves towards my genitals. Finally her hands are trembling as she pulls down my pyjama bottoms to reveal my massive meaty member. She tries to remain professional as she gently handles it, massaging in the warm soapy suds with a cloth. Finally, though, she cannot stifle a gasp as she draws back my foreskin and gives me the most unimaginably pleasurable sensations as she starts to rub around my tender, purple bell-end. Then, of course, the inevitable happens and my cock starts to swell in her hands. Just as I think she is about to run from the room in embarrassment, though, her expression changes from one of nervousness to one of pure lust and, dropping to her knees, she can no longer resist taking the whole of my todger right to the back of her throat. I have to suppress my moans as for several minutes I'm mesmerized by her amazing fellatio technique, but then, just as I think things can't possibly

**"S**n't "Spanking, I love it!" Monica shrieked as we grilled her about her favourite sexual practices. "You can lay me over your lap and slap my bum cheeks till they're nice and pink and my pussy will be gushing. I love getting my man to give me a bit of a spank as I'm down on all fours and then follow it up by shoving his cock up my cunt. All he has to do is slap my bum a bit as he fucks me – and it has to be nice and hard – and I'll cover his cock in my juice as I come! Sometimes I scream so much the neighbours must think something awful is going on!"

# HANNAH

**N**ewbie Hannah is certainly a feast for the eyes and a welcome addition to the Men Only stable. "I'm the kind of girl who likes to try out new things and posing in the nude seemed like it would be right up my street. In life I swing both ways so I'm going to be getting off on readers of both sexes wanking off and fingering themselves crazy over my photos. Well, I hope that's what they'll be doing anyway!" With a tight body like that and such an inviting looking pussy, what else do you think they'll be doing, reading the articles with their spectacles on?

# SASHA

**I** It was just the other day that we were thinking about Sasha Kane and lo-and-behold we came across this classic set of her that somehow slipped through the net and was never used in a magazine. The office assistant will be given a stern telling off when we see her next! Anyway, we couldn't deny you the chance to this Paul Raymond legend just one more time, that is unless we can convince her out of retirement, but we won't be holding our breath on that.

Photo: Ben Minko

# SOPHIE

**S**ophie isn't exactly the moaning type, but she's not entirely happy with how long it's taken us to get her back in Men Only! "I was hoping to be back in the magazine a bit sooner, I was beginning to think that you guys really didn't like me." Not at all Sophie, your mobile number was no longer connected, and it wasn't until you got in touch that you jogged our memory! "Well, that's fair enough, I forgive you, I'm just glad to be back. I always try and buy your magazines and inevitably end up frigging myself off over the girls, I can't help myself. Hopefully I'll be back again soon."
